Sign up for the Falcons

FLAGSTAFF Hill Football Club is starting the year off with a bang at its Falcon Family Fun Day on Saturday (February 12).

Club president **Brett Charlesworth** said the club wanted to combine player registrations with a family day for the community.

"It's all about the players registering ... but we've got other fun stuff happening too," Mr Charlesworth says.

"We base our club on some pretty core values and family and community is right at the front of that.

"We believe in constant improvement and we are always focusing on success and developing our young guys and our new players."

The day kicks off at the club on Coromandel St, Flagstaff Hill, at noon and winds up at 4pm.
