"BRING A MATE" Day

The Call Has Gone Out...

...A Grade Coach **John Ramage** has declared this **Saturday, 14th July** "BRING A MATE" day.

We need the Red Army to mobilize in big numbers.

We need every supporter to be there for their Team and then **support the A Grade at 2.30pm** in the big game against Cove.

We need **every supporter** to be there and **to bring their family**.

We need **every supporter** to be there and **to bring at least one mate** who doesn't normally come to the footy.

We need the **Falconettes** to come out in force again.

What a difference you made on **Falconette Day**...well we need you to make the same difference this Saturday. Head Cheerleader **Helen McMaster** (tiny but feisty) and mum to A Grade captain Peter, has agreed to a repeat performance and will be there again to lead the way...waving her jacket above her head...somersaulting off her chair...and landing in a leg split while cheering our boys on .

Danny Wakeley and the "**Scoreboard Boys**" will also be there in force under the scoreboard making plenty of positive noise. I can't guarantee Danny will be doing leg splits like Helen but he and his crew will be there in numbers come rain, hail or shine.

Make sure you and your mates get on board with Danny or Helen... **and make a difference**.

STRONG & UNITED is about being there together **when it matters most**.

Be proactive, make it happen and start texting, phoning, emailing **NOW** and **do all you can** to "BRING A MATE" (**or 10**) to the footy this Saturday

THIS WEEKS GAMES

In case you didn't know on Saturday we have a full round of 5 games against a good Club in Cove.

A Grade Coach **John Ramage** (above right) has called for your support this Saturday at 2.30pm and asks you to "BRING A MATE" to pack out Falcon Park and to make plenty of positive noise to help bring the A's home in their big match against Cove.

The A's play an exciting brand of footy and soar even higher on the uplifting noise of the Falcon crowd. John is seen above with his very own best mate (and U16's Assistant Coach) **Ross Mittiga**.

And while we're on Roscoe, it's hard to believe this young, vibrant looking man became a Grandpa earlier this week. Yep Pops Mittiga and his beautiful wife **Jane** became grandparents for the first time when daughter **Emma** and her partner **Dale** presented them with a beautiful baby boy **Harley Ross** who thankfully (although surprisingly) was born without a single hair on his upper lip.

On arrival Harleys first words are believed to have been...

... "**BRING A MATE!**"

These are always fantastic opportunities when we can pit ourselves against good opposition and then rise supremely to the challenge.

And it's even better when we achieve a "clean sweep" of 5 wins and the Club can celebrate as one...and there's no reason why we can't do that on Saturday.

This Saturday's goal...**A CLEAN SWEEP** in front of a **HUGE CROWD**.

MILESTONES

A couple of very good young footballers in **Brayden Roberts** and **Campbell Wright** play their 50th junior game for Flagstaff Hill this Saturday. Congratulations boys on your first major milestone.

FALCON FAMILY NEWS

There's another pretty big milestone this week with A Grader **David Kearsley** playing his 200th Club game comprising 94 Junior games and 106 Senior.

Kears is past A Grade "**Bob Farrell**" Medalist for the Best and Fairest in the A's...is a 3 time Junior Club Person of the Year...and has been designing and maintaining our fantastic website for as long as I can remember. He's a great Club man and a talented footballer.

Celebrating Kears' achievement as he runs onto the ground and again when he gets chaired off at the end of the game is another great reason to be there on Saturday.

MAYBE???

If that's not enough reason to bring a mate there's also the enticing prospect of our A Grade full forward **Sam Smith** notching up his 100th goal of the season to be only the 4th Falcon to achieve this.

It may happen for Smithy this week and it may not...it may be the next game or the one after...but whenever it is you don't want to risk missing a piece of history if it does happen this Saturday. I'm sure plenty of cheering from Smithy's beloved Falconettes will be helpful and uplifting for him which is another reason why we need you ladies there.

The bottom line is though that the only thing Sam will be focusing on is winning the game.

He's just as happy assisting other players to kick goals or chasing down defenders to help keep the ball in the forward lines, as he is kicking goals. The Team win is the only thing that matters to our lads.

Five out of five wins...200 Club games...maybe 100 goals...there are a heap of reasons for you and your mates to be there on Saturday.

A GRADE MASCOT

And following on in the spirit of "Bring A Mate" we have not one but **two Mascots** this week...**Ollie** and **Daniel Nash**.

Ollie is bringing Daniel as a mate...or is it Daniel bringing Ollie...I don't know and it doesn't really matter...the most important thing is we'll have 2 mates (and brothers) there to support the A's in the rooms and during the game. Well done boys.

SATURDAY NIGHT

The imaginative U14's are having a "**Family Favourite**" hot dish night with a selection of casseroles, lasagnas, currys etc... followed by dessert. Aim to arrive at 5.45pm with **meals served from 6.00pm** and bring a hearty appetite.

We had our first quiet-ish night of the season last Saturday night so we need to bounce back with a vengeance this week with a huge crowd for our **Weekly Presentations at 7.00pm**. As always there'll be lots to celebrate. I hope to see you there.

RAFFLE BOOKS

The People's Choice Community Lottery is closing at the end of this month, and **we need to get tickets back NOW**.

There are currently about 60 Books that have not been returned.

Please return your stubs (remember you've already paid for the tickets) to your **Team Manager** or **Grant McAvaney** this week.

In the meantime, anyone is able to buy more tickets online by simply going to the following website...

www.peopleschoicecu.com.au/communitylottery/buyticket/purchase-tickets.aspx

All you need to do is nominate Flagstaff Hill Football Club as the Charity, and all sales come to the Club.

VOLUNTEER OF THE WEEK

With **Daniel** and **Ollie** as our A Grade Mascots, I thought it would be really appropriate this week to recognise their mum **Kim Nash** as our Volunteer Of The Week.

Kim has done an amazing job over the last 2 or so years as our **Merchandise Coordinator**.

She liaises with our supplier, coordinates all orders, sources new merchandise ideas, collects and keeps track of all payments and does this for all players and supporters from the 14 teams within our Club.

FALCON FAMILY NEWS

It's a mammoth job yet it all seems to magically happen so smoothly and efficiently with Kim in charge.

Our Merchandise program has never been more successful or more prolific. The number of players and supporters proudly wearing Club colours has grown to unprecedented heights and that wouldn't be the case without someone like Kim making it all happen.

Our **Red Army** has built a proud reputation within the league in recent years. We have more supporters and more people decked out in Club colours than any other Club and that's a point of difference we need to grow further..

I still look around on game day and see many of our supporters NOT in our Club colours and I imagine how our show of support could be **even greater** and even more **impressive** and **professional** if absolutely EVERYONE was proudly wearing the Red and Blue.

If you're not wearing Club colours **every time** you go to the Footy please contact Kim and she'll be only too happy to help you become a spectacular part of the **Flagstaff Hill Red Army**.

Amazingly Kim executes her role as Merchandise Coordinator this while looking after her 4 boys (5 if you include hubby Simon...and 6 if you add in our supplier Paul) and she does it all with class and style, and ultra efficiency.

Our photo library didn't have an individual shot of Kim (something we need to rectify) but you'll see her circled below with some of her fellow Falconettes.

Kim you do a truly superb job which impacts enormously on our Clubs professionalism while helping to unite us all. Thanks you so much for your tireless efforts and for the calm and cheerful way you do it all. A true Club great.

HAPPY 50TH DICKY

Following in the footsteps (albeit 10 years behind) of Tim O'Malley (who turned 60 last week) another "Old Fart" and Club stalwart **Richard "Dicky" Hunter** turned 50 on Thursday.

Dicky was Volunteer of the Week a month or so ago and had an article written about him in last

week's Messenger. He almost broke his neck getting in front of the crowd on Thursday night after selections so we could sing "Happy Birthday" to him.

We reckon all this attention is going to his head...so I'm going to pull right back and end this tribute here for his own good. Happy birthday mate.

Graeme is one of those people you love doing business with. He's down to earth and keeps it simple. He just wants to do a great job for you at a fair price. If there's a simpler, more cost effective way of doing your job he'll bring it to your attention.

If you ever have any printing needs I strongly recommend that you speak to Graeme from **Richmond Press**. I'm confident if you do, you'll stick with him as I have for 30 years.

THE WRAP

Enjoy your weekend and don't forget...come to the A's at 2.30pm Saturday and "Bring a Mate"...or two...or three...or.....
