A MESSAGE FROM OUR CLUB COACH

Time in football moves fast.

After an exciting 2024 season, where many players made their debuts. Others took the next step, and senior players continued to deliver across all grades.

We are now excited by what 2025 will bring and optimistic about how we go one step further in the A Grade but, most importantly forward as an entire club,

The football department and club as a whole have a strong focus on developing our junior programs, putting in place the best resources possible and most importantly continuing to drive the PRIDE values that have held us strong.

With that being said we are primed for another strong year and the support of our club partners and sponsors is crucial to this success.

Join us on the ride in 2025.
